Community Advisory Committee

MEETING 11 POLICY DISCUSSION QUESTIONS

April 19, 2016
2:30 PM to 5:30 PM
4444 Rice Street, Līhu'e
Moikeha Building 2A/2B, Planning Commission Room

Meeting Focus: Agriculture

The following questions will be raised as part of the CAC discussion period during the meeting. Please feel free to prepare by bringing notes to guide the discussion. Written comments may also be provided for addition to the meeting record.

1. What is the County's role in supporting and incentivizing agriculture?
2. Does Agricultural type need to be distinguished or should all agriculture be treated the same?
3. Should restrictions on agricultural use be tightened or loosened? For example, encroachment of urban activities on agricultural lands that create detriment to agricultural activities (residences, churches, schools). Does such example need to be addressed?
4. What is the relationship of rural and open zoned lands to agriculture?

Please call 241-4050 if you would like to request an ASL interpreter, materials in an alternate format, or other auxiliary aide.
