References

The references below are suggested as advance reading to assist in better understanding the material for today's featured topic, and for providing input during discussion periods. All materials are posted on the project website, www.plankauai.com. Copies will be distributed to the CAC, with limited additional copies available at the meeting:

- 1) Executive Summary of the *Multimodal Land Transportation Plan* (2013) available online at <http://movekauai.net/> Please feel free to read other parts of the report, but as a minimum, review the Executive Summary
- 2) *Kapa'a Transportation Solutions* List of Priority Projects
- 3) *Federal Aid Highways 2035 Transportation Plan for the District of Kaua'i* List of Potential Long Range Capacity Solutions
- 4) North Shore, South Shore and East Side Shuttle Feasibility Study (in progress) Information about the study can be found online at <http://www.kauaishuttlestudy.com/> (click on the "Reports and Resources" tab).

The Council Presentation of the in-progress Shuttle Feasibility Study is available online at http://media.wix.com/ugd/d43cf1_ad8f42ed3952431d88b067a6aa56f0a1.pdf

Please call 241-4050 if you would like to request an ASL interpreter, materials in an alternate format, or other auxiliary aide
